Haven't signed up to participate in the Summer Reading Program yet? It's not too late! Register in-person at your favorite branch or register online at <http://santafelibrary.beanstack.com>

Kids earn weekly prizes for reading. Once a child has reached the third prize, they will automatically be entered into the Grand Prize drawing of a bicycle. The more they read, the more prizes they earn and the more entries they get into the Grand Prize drawing!

Kids registered online on Beanstack (our electronic Summer Reading platform) can also gamify their summer reading by earning virtual badges for completing challenges, such as writing a book review, reading about a new animal, or attending a virtual program!

Happy reading!
